Mr. W. E. Willingham

Dear Mr. Willingham:

We have received another letter from the Severance Tax Division at Santa Fe concerning our Monthly Production Report.

As you know, we supply Mr. R. E. Logan with a copy of the Production Report, as well as a copy attached to the voucher which he signs and transmits to your office. Apparently the statement that we supply is retained in your office rather than mailed to the Severance Tax Division along with the voucher. The Severance Tax Division must have a copy of our Production Report along with the voucher and possibly the better way to handle this would be for us to send the Bureau copy of the Report and indicate a voucher to cover is being initiated in your office.

We are attempting to be nice to these Severance Tax boys because there is a bill in the present legislature to increase the Severance Tax from  $\frac{1}{2}\%$  to  $1\frac{1}{2}\%$ . If you know of a better way to handle this matter than I have suggested, I would appreciate knowing about it.

Attached for your information is copy of a letter received from the Severance Tax Division.

Yours truly,
